INTRODUCTION

FAAZ TOWER

Faaz Tower is another exquisite commercial and residential project by Faaz Estate and Builders approved by Housing Society of CDA. At a facilitated location that is close to Garden City Golf Course, Ibrahimji Jammia Masjid and cinegold. A first hand shopping experience and Bahria food street within 10 minutes walking distance makes Faaz Tower an ideal residence for families. Faaz Tower is being constructed to provide comfort, safety and reliability to its residents.

INTERNAL STRUCTURE **FAAZ TOWER**

The internal structure and design is such to provide convenience for families and reciprocate with daily life. The sizes of our apartments and are primarily larger than normal structures for comfortable living. We have designed the interior of Faaz Tower at an international level excellence.

Our expert team is working tirelessly to provide you with your dream living standard and exceptional business opportunities for everyone.

BUILDING STRUCTURE & DESIGN

Faaz Tower is being designed and constructed by a highly skilled team of professionals. We are developing such a project that is eye catching to a world class level.
